The First Unitarian Heritage Society was created by the Board of Trustees to honor members and friends of the Church who have indicated that they have remembered the Church in their wills. Unless anonymity is requested, a permanent record of this intention will be inscribed in a book that will be kept in the Church office. With this form you can communicate your plans to the Church, which will automatically enroll you in this Society. Members and friends who have been enrolled will be recognized on an annual basis in the Beacon, at our Founder's Day Celebration and at our Annual Meeting.
